CASH MANAGEMENT

Earn interest on your business cash

I said: 'We'd love to earn interest on our cash balance.'

BRED said: 'Relax. We can help with that!'

Maximise your cash

Make the most of your business's free cash by earning interest in a Cash Management account.

You can open your Cash Management account with as little as USD 5,000 and you'll earn interest on any balance over USD 1,000. Accounts are available in local or foreign currencies and it's easy to switch cash between your Cash Management account and your main business account at any time using online banking.
