**I said:** 'We need to fit a new kitchen'

**BRED said:** 'Cool. Whatever you need, we can help.'

## The right loan to suit your circumstances

While it's great to save money, there are many times in life when borrowing makes sense, allowing you to get the things you need now and then pay for them in affordable monthly instalments.

From home improvements or school fees to holidays and much more, we can help you get the things you want.

### Personal loans

You can buy anything you like with a **personal loan** from BRED Bank Cambodia. Depending on your circumstances, you can borrow up to USD 15,000 and then repay over a period of between six months and three years. No collateral is required and you can borrow in a range of currencies including USD or KHR.

### Secured personal loans

For larger value purchases, you also have the option of applying for a **secured personal loan**. By providing collateral to secure against your loan, you can usually borrow more money for a longer period of time.

This type of borrowing is ideal for things like expensive home improvements and high-value purchases like land and property.

The amount you can borrow depends on your personal circumstances and the type of collateral you secure against the loan.
