## Get the flexibility you want with Savings Plus

Our Savings Plus account is the smart way to enjoy great interest rates without locking your money in for a fixed term.

You can open your account with just USD 5,000 and the minimum interest-bearing balance is USD 1,000.

You can add to your account whenever you like and you can choose to save in Khmer Riel or US Dollars. You'll earn our best rates of interest when you save in **Khmer Riel** and, best of all, you can withdraw your money **without penalty** at any time.
