

PAYMENT SERVICES

EXCEPTIONAL PAYMENT SERVICES

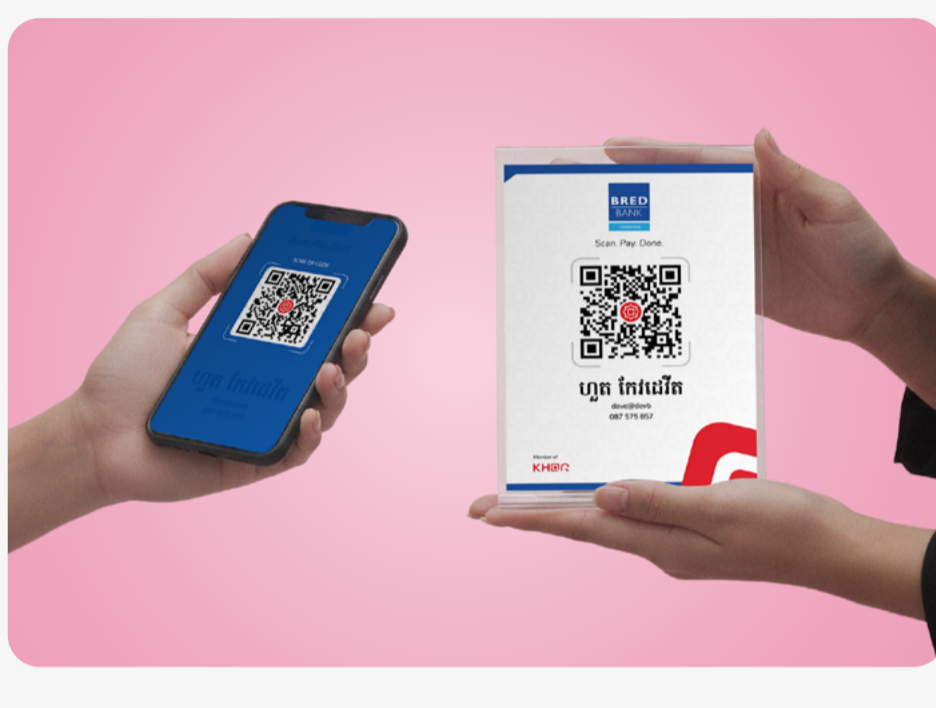

from the best bank for business

The smarter way to bank.

Our state-of-the-art payment services deliver everything that your business needs to make customer transactions quick and easy. From point of sale machines to KHQR, we offer an unrivalled service.

First for customer transactions

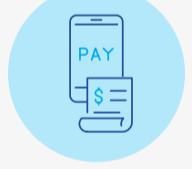

These days, payment services are changing fast. New digital technologies have changed the way we all pay for goods and services. All over the world, instant electronic transactions are reducing the need for cash. Choose BRED Bank Cambodia for your payment services and you'll have everything you need to make it easy for your customers to pay the ways that suit them best – and for you to receive payment for goods and services as quickly as possible!

KHQR ready

We're also members of Bakong, allowing us to deliver the KHQR payment system – giving you and your customers another safe and practical, cash-free, electronic option to pay instantly in USD or KHR currencies.

- ✓ Free of charge
- ✓ Instant clearing
- ✓ Free sales tools

In-app and online bill payments

We also support our customers with direct bill payments from our BRED Connect mobile app and online banking platform, making it easy for your customers to pay bills directly to your bank account.

- ✓ Online and offline settlement available
- ✓ Free of charge

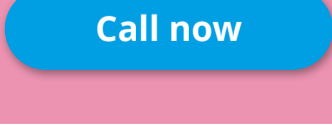

Free to use, no annual fees

We'll supply all the payment marketing tools you need free of charge and there's no annual fee to be a BRED Bank merchant. We offer competitive transaction rates too and we can provide many other services that are geared to your needs.
