BRED said: 'Relax. We have an account for you.'

Save over the term that suits you

With a Fixed Term Deposit account, the longer you save, the more interest you can earn. You can save in local or foreign currencies and you can keep track of your savings (and the interest you're earning) online. You can even choose how your interest is paid - either monthly or at the end of the term.

- ✓ Flexibility to top up capital during fixed term*
- ✓ Commit for the period that suits you
- ✓ Save in Cambodian Riel, US Dollar or Euro
- ✓ Enjoy international standards of security and safety
